

CHAP Group (Aberdeen) Ltd. Environmental Policy Statement

CHAP Group (Aberdeen) Ltd. is committed to minimising the environmental impact of our activities. We will continually review and improve our activities, products and services in relation to their impact on the environment, and shall:

- Operate a documented Environmental Management System, with compliance to the requirements of BS EN ISO 14001 and as part of an overall Integrated Management System, to ensure the effective control of its activities, products and services across the operating divisions of CHAP Group (Aberdeen) Ltd.
- Comply with the applicable environmental legislation and other compliance obligations and commit to protect the environment from direct or indirect harm from group operations.
- Measure the effectiveness of the Environmental Management System through various means including pollution prevention, audits and feedback.
- Establish objectives, targets and programmes, which will be reviewed and reported on a regular basis to ensure continual improvement in environmental performance is achieved and maintained.
- Nominate members of senior management, with responsibility for the operation of the Environmental Management System, who shall ensure that environmental processes are communicated, implemented and maintained at all levels across the operating divisions of CHAP Group (Aberdeen) Ltd.
- Work to reduce the amount of construction, demolition and excavation waste going to landfill through the adoption and implementation of good practice in reducing waste, recycling more, and increasing the use of recycled and recovered materials.
- Ensure that sufficient resources are provided to maintain and continually improve environmental performance.
- Review and revise the Environmental Policy on a regular basis to ensure its continual suitability.
- Make the Environmental Policy and associated documentation available to interested parties upon request.
